## Reflect on the topic Working silently and individually, have each person create a few sticky notes in all four quadrants below for about five minutes. What went poorly? With the remaining time, discuss notes in each quadrant. Where did we have problems? What was frustrating to us or others? What held us back? **TOPIC** What went well? Workstation engineering team work What should we keep doing? What should we celebrate? **Sprint 10** critical thinking Where did we make progress? problemsolving to progress abilities to advance Change Digital Organizational skill ecosystem Starting new job Motivation Learning course Change your inputs Communication skills Change your way of spending Team focused culture What ideas do you have? How should we take action? Retail experience What ideas do you have for future work together? What do you believe we should do next? Where do you see opportunities to improve? What has untapped potential? What specific things should we change? What should extend beyond this meeting? People pleasing Establish
